Allen ISD Students Design Holiday Cards for City of Allen Police and Fire Departments

Allen ISD students participated in an art contest to design holiday cards for the City of Allen Police and Fire Departments. These talented students will have their artwork displayed on the front of the cards that will be mailed to thousands of community members this holiday season.

The winner of the Allen Fire Department's holiday card is Sophia Li, a senior at Allen High School. Sophia's artwork will be sent to more than 2,000 community members who completed Allen FD's CPR and Stop the Bleed classes.

The Allen Police Department held a contest for its holiday card at Boyd Elementary. Finalists in the card contest included:

- Alexza Ortega Gomez, 5th grade
- Allison Jimenez, 5th grade
- Amerullah Zazi, 5th grade
- Madison Martin, 5th grade

The winner of the Allen PD holiday card contest was Elyza Ordono, 5th grade.

Thank you and congratulations to these talented artists!

Allen High School Students Serve Community During Eagle Give Day

Eagle Give Day is a service-learning opportunity for Allen High School students on the Friday before Thanksgiving Break. While on campus, students select a community service project completed that supports a local organization or charity. The event has become a valued tradition in Allen ISD and now involves Lowery Freshman Center, the STEAM Center, and additional campuses throughout the district.

Eagle Give Day supports the Allen ISD Graduate Profile, which calls for students to become responsible and engaged citizens. Students practice ethical decision making within the context of the local, national, and global community. Students also gain awareness of community resources and the value of service to others.

Thank you to our students and our staff for giving back to their community during Eagle Give Day.

BED (LEGAL)
Board meetings are held to transact the business of the District. So that citizens have the opportunity to be informed concerning those transactions, meetings are open to the public, except when closed meetings are conducted as permitted by the Open Meetings Act. The Board may create a limited public forum for the purpose of hearing comments from the public so long as: 1) the Board does not discriminate against speech on the basis of viewpoint; 2) any restrictions are reasonable in light of the purpose served by the forum; and 3) the Board provides alternative paths for expressing categories of protected speech that are excluded from the forum. *Fairchild v. Liberty Indep. Sch. Dist., 597 F.3d 747 (5th Cir. 2010)*

A board may adopt reasonable rules regarding the public's right to address the board under these provisions, including rules that limit the total amount of time that a member of the public may address the board on a given item.

BED (LOCAL)
Audience participation at a Board meeting is limited to the portion of the meeting designated to receive Public Comment and Public Testimony in accordance with this policy. At all other times during a Board meeting, the audience shall not enter into discussion or debate on matters being considered by the Board, unless requested by the presiding officer.

Public Testimony

Public Testimony means a person who wishes to comment regarding an item on the agenda posted with notice of any open meeting of the Board. At monthly regular Board meetings and at all other Board meetings open to the public, including Board workshops and/or work sessions, public participation shall be limited to items on the agenda posted with notice of such meeting, in the form of public testimony. Individuals shall be allowed to address the Board regarding an item on the agenda posted with notice of any open meeting of the Board before the Board's consideration of the agenda item, provided that such individuals follow the procedures and requirements stipulated in this policy.

Public Comment

Public Comment means a person who wishes to comment on matters related to the District's business other than Public Testimony. Public Comment shall be limited to the monthly Regular Board meetings and shall not be allowed at any other Board meeting open to the public.

Procedures and Requirements

Individuals who wish to participate during the portion of the meeting designated for public comment and public testimony shall timely register with the Superintendent or designee and shall abide by the registration and time limits stated in policy. Registration shall be done prior to the Board meeting following one of the approved methods stated in Board Policy BED (LOCAL).

The Board shall follow the procedures for timing of speakers, meeting management, complaints, and disruption as outlined in Board Policy BED (LOCAL).

Texas Administrative Code Title 19 Part 2 Chapter 109 Subchapter AA Rule 109.1001

The Board of Trustees shall hold a public hearing on the annual financial management report within two months after receiving a final financial accountability rating. The public hearing must be held at a location in the district's facilities. In addition, notice of the hearing, including date, time, and location, must be provided to a newspaper of general circulation in the geographic boundaries of the school district. Notice was published in the Allen American on November 21, 2025.

Summary / Background Information:

The state's school financial accountability rating system, known as the School Financial Integrity Rating System of Texas (FIRST), ensures that Texas public schools are held accountable for the quality of their financial management practices and that they improve these practices. The system is designed to encourage Texas public schools to better manage their financial resources to provide the maximum allocation possible for direct instructional purposes. The Schools FIRST rating is based upon an analysis of staff and student data reported for the school year and actual financial data.

This is the 23rd year for the FIRST rating, and for the 23rdconsecutive year, Allen ISD has achieved the highest possible rating. This year's 2024-2025 report is based upon the 2023-2024 audited data. Allen ISD successfully achieved the highest available rating of "A = Superior Achievement" by obtaining a score of 94 out of a possible 100 points from the 21 measurement indicators.

The School FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, as follows:

A Superior Achievement

B Above Standard Achievement
C Meets Standard Achievement
F Substandard Achievement

This rating demonstrates that Allen ISD is making the most of its taxpayers' dollars, and the District is accountable not only for student learning, but also for achieving these results effectively and efficiently.

Attached is the current year's financial accountability rating. Also included is the "How Ratings Are Assessed". This helps to explain each indicator in a little more detail.

Administrative Recommendation:

This is a public hearing, as required by School FIRST. This hearing and presentation are for School Board and public comment/review only.

2	Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)	4/23/2025 6:09:48 PM	Yes
3	Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)	4/23/2025 6:09:48 PM	Yes
4	Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? (If the school district received a warrant hold and the warrant hold was not cleared within 30 days from the date the warrant hold was issued, the school district is considered to not have made timely payments and will fail critical indicator 4. If the school district was issued a warrant hold, the maximum points and highest rating that the school district may receive is 95 points, A = Superior Achievement, even if the issue surrounding the initial warrant hold was resolved and cleared within 30 days.)	4/23/2025 6:09:48 PM	Yes Ceiling Passed

DETERMINATION OF RATING

A.	Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.	
B.	Determine the rating by the applicable number of points.	
	A = Superior Achievement	90-100
	B = Above Standard Achievement	80-89
	C = Meets Standard Achievement	70-79
	F = Substandard Achievement	<70

No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.

The school district receives an **F** if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.

CEILING INDICATORS

Did the school district meet the criteria for any of the following **ceiling indicators** 4, 5, 6, 16, 17, 20, or 21? If so, the school district's applicable maximum points and rating are disclosed below. Please note, an F = Substandard Achievement Rating supersedes any rating earned as the result of the school district meeting the criteria of a ceiling indicator.

Determination of rating based on meeting ceiling criteria.	**Maximum Points**	**Maximum Rating**
Indicator 4 (Timely Payments) - School district was issued a warrant hold.	95	A = Superior Achievement
Indicator 5 (Total Net Position) - Negative total net position and do not have 7% or more or 1.000 or more increase in growth in students in membership over 5 years.	79	C = Meets Standard Achievement

Indicator 6 (Average Change in Fund Balance) - Response to indicator is *No*.	89	B = Above Standard Achievement
Indicator 16 (PEIMS to AFR) - Response to indicator is *No*.	89	B = Above Standard Achievement
Indicator 17 (Material Weaknesses) - Response to indicator is *No*.	79	C = Meets Standard Achievement
Indicator 20 (Property Values and Tax Discussion) - Response to indicator is *No*.	89	B = Above Standard Achievement
Indicator 21 (FSP Repayment Plan) - Response to indicator is *Yes*.	70	C = Meets Standard Achievement

How Ratings are Assessed

Preliminary ratings are released by TEA every calendar year on or before August 8. The commissioner's rules for School FIRST are contained in 19 TAC 109.1001. The rules include an attached figure (rating worksheet) for each rating year that specifies the rating indicators for that year.

The questions a school district must address in completing the worksheet used to assess its financial management system can be confusing to non-accountants. The indicators for **rating year 2024-2025 based on fiscal year 2024 financial data** are set out below with an explanation of what the questions mean—and what your district's answers can mean to its rating.

1. Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?

A simple indicator. Was your Annual Financial Report filed by the deadline?

2. Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)

Review the AFR for an unmodified opinion and material weaknesses.

3. Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)

This indicator seeks to confirm that your district has timely paid all bills/obligations, including financing arrangements to pay for school construction, school buses, photocopiers, etc.

4. Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? If the school district received a warrant hold and the warrant hold was not cleared within 30 days from the date the warrant hold was issued, the school district is considered to not have made timely payments and will fail this

indicator. If the school district was issued a warrant hold, the maximum points and highest rating the school district may receive is 95 points, A = Superior Achievement (even if the issue surrounding the initial warrant hold was resolved and cleared within 30 days).

This indicator seeks to confirm the district fulfilled its obligation to the TRS, TWC and IRS to transfer payroll withholdings and to fulfill any additional payroll-related obligations required to be paid by the district.

5. Was the total net position balance in the governmental activities column in the Statement of Net Position (net of accretion of interest for capital appreciation bonds, net pension liability, and other post-employment benefits) greater than zero? (If it is not, the maximum points and highest rating the school district may receive is 79 points, C = Meets Standard Achievement, unless the school district has an increase of students in membership over 5 years of 7 percent or more or 1,000 or more students in membership. If the school district has such an increase, the maximum points and highest rating the school district may receive is 89 points, B = Above Standard Achievement.)

This indicator determines if the total net position in the governmental activities column of the Statement of Net Position as reported in the Annual Financial Report is greater than zero. A positive net position demonstrates financial solvency.

6. Was the average change in (assigned and unassigned) fund balance over 3 years less than a 25% decrease or did the current year assigned and unassigned fund balance exceed 75 days of operational expenditures? (If the school district fails indicator 6, the maximum points and highest rating the school district may receive is 89 points, B = Above Standard Achievement.)

This indicator measures the percentage change in fund balance to see whether the fund balance is declining too quickly, and if it is declining, whether sufficient fund balance remains to operate for at least 75 days.?

7. Was the number of days of cash on hand and current investments in the general fund for the school district sufficient to cover operating expenditures (excluding facilities acquisition and construction)?

This indicator measures how many days after the end of the fiscal year the school district could have disbursed funds for its operating expenditures without receiving any new revenues. At least 90 days must be covered to receive the maximum points.

8. Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt?

This indicator measures whether the school district had sufficient short-term

assets at the end of the fiscal year to pay off its short-term liabilities. Did you meet or exceed the target amount in School FIRST?

9. Did the school district's general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not, was the school district's number of days of cash on hand greater than or equal to 60 days?

This indicator simply asks, "Did you spend more than you earned?" (the school district will automatically pass this indicator if the school district had at least 60 days cash on hand.)

10. Did the school district average less than a 10 percent variance (90% to 110%) when comparing budgeted revenues to actual revenues for the last 3 fiscal years?

This indicator continues to be paused for the 2024-25 rating period.

11. Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? (If the school district's increase of students in membership over 5 years was 7 percent or more or 1,000 or more students in membership, then the school district passes this indicator.)

This question is like asking if a person's mortgage exceeds the market value of their home. Were you below the cap for this ratio in School FIRST? Fortunately, this indicator recognizes that high-growth districts incur additional operating costs to open new instructional campuses.

12. What is the correlation between future debt requirements and the district's assessed property value?

This indicator asks about the school district's ability to make debt principal and interest payments. Did you meet or exceed the target amount in School FIRST?

13. Was the school district's administrative cost ratio equal to or less than the threshold ratio?

This indicator measures the percentage of their budget that Texas school districts spent on administration. Did you exceed the cap in School FIRST for districts of your size?

14. Did the school district *not* have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? (If the student enrollment did not decrease, the school district will automatically pass this indicator.)

If a decline in student enrollment is occurring, this indicator measures if the decline in total staff is in proportion to the declining enrollment over a 3-year period. If declining enrollment is occurring, the change in this ratio cannot exceed 15 percent.

15. Was the school district's ADA within the allotted range of the district's biennial pupil projection(s) submitted to TEA? If the district did not submit pupil projections to TEA, did it certify TEA's projections?

This indicator measures how well the

district was able to project average daily attendance for the coming biennium for payment purposes. Projected ADA is compared to actual.

16. Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function? (If the school district fails this indicator, the maximum points and highest rating the district may receive is 89 points, B = Above Standard Achievement.)

This indicator measures the quality of data reported to PEIMS and in your Annual Financial Report to ensure that the data reported in each case "matches up." If the difference in numbers reported in any fund type is 3 percent or more, your district "fails" this measure.

17. Did the external independent auditor report that the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, federal funds and free from substantial doubt about the school district's ability to continue as a going concern? (The AICPA defines material weakness.) (If the school district fails this indicator, the maximum points and highest rating the district may receive is 79 points, C = Meets Standard Achievement.)

A clean audit of your Annual Financial Report would state that your district has no material weaknesses in internal controls. Any internal weaknesses create a risk of your district not being able to properly account for its use of public funds and should be immediately addressed.

18. Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)

This indicator measures whether the district is complying with laws, rules and regulations related to the expenditure of grant funds. contracts, and other state and federal funds.

19. Did the school district post the required financial information on its website in accordance with Government Code, Local Government Code, Texas Education Code, Texas Administrative Code and other statutes, laws and rules that were in effect at the school district's fiscal year end?

This indicator measures whether the district is complying with legal requirements related to financial transparency by posting all required information.

20. Did the school district's administration and school board members discuss any changes and/or impact to local, state, and federal funding at a board meeting within 120 days before the district adopted its budget? (If the school district fails this indicator, the maximum points and highest rating

the school district may receive is 89 points, B = Above Standard Achievement.)

This indicator measures whether the administration and the board had the opportunity to consider the impact of changes in local, state, and federal funding.

21. Did the school district receive an adjusted repayment schedule for more than one fiscal year for an over-allocation of Foundation School Program (FSP) funds because of a financial hardship? (If the school district fails this indicator, the maximum points and highest rating the school district may receive is 70 points, C = Meets Standard Achievement.)

This indicator determines if the district has an adjusted repayment schedule for an overallocation of FSP funds.

Authority for this Action:
Texas Education Code §33.026 Acquisition of Library Materials
The Board of Trustees of a school district shall adopt a policy for the acquisition of library materials, including procedures for the procurement of library materials.

Board Policy CH (LEGAL) Purchasing and Acquisition

Summary / Background Information:
Library materials are selected and acquired in accordance with guidelines adopted by the Texas State Library and Archives Commission and the standards expressed in Allen ISD Board Policy. Allen ISD's processes for the selection and acquisition of library materials ensure that campus library collections support educational goals and reflect community values.

Campus librarians utilize the collection development guidelines to curate a list of book titles considered for purchase to enhance campus library collections. The list of library book titles being considered for purchase is made available on the District website for a minimum of 30 calendar days, providing the Allen ISD community the opportunity to review and share feedback on the proposed titles.

In accordance with Senate Bill 13 passed during the 89th Texas Legislative Session and Texas Education Code §33.025, the Allen ISD Local School Library Advisory Council (LSLAC) is a group appointed by the Allen ISD Board of Trustees to assist the District in ensuring local community values are reflected in each school library catalog. The Allen ISD Local School Library Advisory Council reviews the library book titles proposed for purchase, considers public comments, and makes recommendations to the Board of Trustees on new additions to the library collections. All recommendations made by the Allen ISD Local School Library Advisory Council must comply with the applicable laws and policies related to library collection development.

The Allen ISD Local School Library Advisory Council met on November 20, 2025, to review and make determinations on the library materials proposed for purchase. The proposed titles for elementary campus collections were reviewed. The Allen ISD Local School Library Advisory Council has provided the Board of Trustees with recommendations on whether each library material proposed for purchase is appropriate for the recommended grade level(s) in the District's library collection. The library book titles receiving a Local School Library Advisory Council (LSLAC) recommendation for acquisition for elementary campus collections are presented for review. Any proposed titles not recommended for acquisition by the Local School Library Advisory Council (LSLAC) are also available for review.

ADMINISTRATOR RESPONSIBLE: Jennifer Wilhelm, Assistant Superintendent of Learner Services

SOAR 2030 STRATEGIC VISION: Goal 3 – Empowered Learning

LEGAL REVIEW: Abernathy, Roeder, Boyd, and Hullett, P.C.

Authority for this Action:
Texas Education Code §33.026 Acquisition of Library Materials
The Board of Trustees of a school district shall adopt a policy for the acquisition of library materials, including procedures for the procurement of library materials.

Board Policy CH (LEGAL) Purchasing and Acquisition

Summary / Background Information:
Library materials are selected and acquired in accordance with guidelines adopted by the Texas State Library and Archives Commission and the standards expressed in Allen ISD Board Policy. Allen ISD's processes for the selection and acquisition of library materials ensure that campus library collections support educational goals and reflect community values.

Campus librarians utilize the collection development guidelines to curate a list of book titles considered for purchase to enhance campus library collections. The list of library book titles being considered for purchase is made available on the District website for a minimum of 30 calendar days, providing the Allen ISD community the opportunity to review and share feedback on the proposed titles.

In accordance with Senate Bill 13 passed during the 89th Texas Legislative Session and Texas Education Code §33.025, the Allen ISD Local School Library Advisory Council (LSLAC) is a group appointed by the Allen ISD Board of Trustees to assist the District in ensuring local community values are reflected in each school library catalog. The Allen ISD Local School Library Advisory Council reviews the library book titles proposed for purchase, considers public comments, and makes recommendations to the Board of Trustees on new additions to the library collections. All recommendations made by the Allen ISD Local School Library Advisory Council must comply with the applicable laws and policies related to library collection development.

The Allen ISD Local School Library Advisory Council met on November 20, 2025, to review and make determinations on the library materials proposed for purchase. The proposed titles for middle school campus collections were reviewed. The Allen ISD Local School Library Advisory Council has provided the Board of Trustees with recommendations on whether each library material proposed for purchase is appropriate for the recommended grade level(s) in the District's library collection. The library book titles receiving a Local School Library Advisory Council (LSLAC) recommendation for acquisition for middle school campus collections are presented for review. Any proposed titles not recommended for acquisition by the Local School Library Advisory Council (LSLAC) are also available for review.

LEGAL REVIEW: Abernathy, Roeder, Boyd, and Hullett, P.C.

Authority for this Action:
Texas Education Code §33.026 Acquisition of Library Materials
The Board of Trustees of a school district shall adopt a policy for the acquisition of library materials, including procedures for the procurement of library materials.

Board Policy CH (LEGAL) Purchasing and Acquisition

Summary / Background Information:
Library materials are selected and acquired in accordance with guidelines adopted by the Texas State Library and Archives Commission and the standards expressed in Allen ISD Board Policy. Allen ISD's processes for the selection and acquisition of library materials ensure that campus library collections support educational goals and reflect community values.

Campus librarians utilize the collection development guidelines to curate a list of book titles considered for purchase to enhance campus library collections. The list of library book titles being considered for purchase is made available on the District website for a minimum of 30 calendar days, providing the Allen ISD community the opportunity to review and share feedback on the proposed titles.

In accordance with Senate Bill 13 passed during the 89th Texas Legislative Session and Texas Education Code §33.025, the Allen ISD Local School Library Advisory Council (LSLAC) is a group appointed by the Allen ISD Board of Trustees to assist the District in ensuring local community values are reflected in each school library catalog. The Allen ISD Local School Library Advisory Council reviews the library book titles proposed for purchase, considers public comments, and makes recommendations to the Board of Trustees on new additions to the library collections. All recommendations made by the Allen ISD Local School Library Advisory Council must comply with the applicable laws and policies related to library collection development.

The Allen ISD Local School Library Advisory Council met on November 20, 2025, to review and make determinations on the library materials proposed for purchase. The proposed titles for the Lowery Freshman Center campus collection were reviewed. The Allen ISD Local School Library Advisory Council has provided the Board of Trustees with recommendations on whether each library material proposed for purchase is appropriate for the recommended grade level(s) in the District's library collection. The library book titles receiving a Local School Library Advisory Council (LSLAC) recommendation for acquisition for the Lowery Freshman Center campus collection are presented for review. Any proposed titles not recommended for acquisition by the Local School Library Advisory Council (LSLAC) are also available for review.

BOARD OF TRUSTEES

DATE OF MEETING:	December 15, 2025
DOCUMENT TITLE:	Acknowledge Audit OMB Compliance Supplement Update
ADMINISTRATOR RESPONSIBLE:	Dr. Kyle Penn Assistant Superintendent Business & Technology
SOAR 2030 STRATEGIC VISION:	Goal 1 – Culture of Excellence
LEGAL REVIEW:	N/A

Summary / Background Information:

Hankins, Eastup, Deaton, Tonn, Seay, and Scarborough, a firm of licensed certified public accountants, has prepared the Annual Comprehensive Financial Report for the fiscal year ended June 30, 2025. Allen ISD's lead auditor, Scott Scarborough, presented the audit to the Audit Committee on October 22, 2025, and again on October 27, 2025, in the board meeting. The entire audit process was completed in a timely manner and is free of any material weaknesses or findings related to the financial statements. Allen ISD continues to be a low-risk auditee.

Auditors are required to follow the guidance on the OMB Compliance Supplement for single audits and federal awards when conducting the yearly audit for an ISD. This year the OMB Compliance Supplement was not released until November 26, 2025. The guidance from TEA is that the Annual Comprehensive Financial Report (AFR) should not be approved by the Board before that release date. TEA has also made allowances for the AFR submission date to TEA to accommodate the late release of the OMB. Hankins, Eastup, Deaton, Tonn, Seay and Scarborough have reviewed the OMB Compliance Supplement for 2025 and have determined that no changes are required to the 24-25 Annual Comprehensive Financial Report for Allen ISD.

Administrative Recommendation:

Allen ISD acknowledges this update and continues approval of the Annual Comprehensive Financial Report for the 2024-2025 fiscal year.

Proposed Motion:

"I move to approve the Annual Comprehensive Financial Report for the 2024-2025 fiscal year."

Authority for Action: CH (Legal), Purchasing and Acquisition

All District Contracts, except contracts for the purchase of produce or vehicle fuel, valued at $50,000 or more in the aggregate for each 12-month period, shall be made by the method that provides the best value for the District:

1. Competitive Bidding.
2. Competitive sealed proposals.
3. A request for proposals, for services other than construction services.
4. An Interlocal agreement.
5. The reverse auction procedure as defined by Government Code 2155.062(d).
6. The formation of a political subdivision corporation under Local Government Code 304.001.

Education Code 44.031(a)

Background / Summary:

On Thursday November 20, 2025, Balfour Beatty Construction, LLC, Construction Manager at Risk, opened proposals from various sub-contractors for the Curtis Middle School Renovation. Proposals were based on the Plans and Specifications prepared by VLK Architects. The proposals were evaluated as to which sub-contractor would supply the best product, service, and price to the District. Based on the Proposals submitted, the Guaranteed Maximum Price (GMP) for the project will be $51,250,728.

As part of the 2024 Bond Proposition A authorization of $419,062,253, approved by District voters, a budget of $320,386,083 was established for the renovation of Allen ISD school facilities.

A copy of the GMP for the Curtis Middle School Renovation project prepared by Balfour Beatty Construction, LLC. is attached.

Total Cost of Construction:

Balfour Beatty Construction's GMP:	$	51,250,728
Architectural Fees	$	3,203,171
Soft Costs	$	1,351,000
FF&E	$	2,015,000
Technology Equipment	$	532,817
Total Cost of Renovation inside proposition A:	**$**	**58,352,716**

Completion or Implementation Timeline

Project will begin upon execution of contract and scheduled for completion on or prior to the start of the 2027-2028 school year.

Administrative Recommendation:

Administration recommends the total construction cost and GMP for the Curtis Middle School Renovation:

Proposed Motion:

"Move to approve the Total Construction Cost of $58,352,716 including a GMP of $51,250,728 for the Curtis Middle School Renovation."

CVB (Legal) – Facilities Construction: Competitive Sealed Proposals

Competitive sealed proposals is a procurement method by which a district requests proposals, ranks the offerors, negotiates as prescribed, and then contracts with a general contractor for the construction, rehabilitation, alteration, or repair of a facility. In selecting a contractor through competitive sealed proposals, a district shall follow the procedures provided by Government Code 2269, Subchapter D. *Gov't Code 2269.151.*

Summary / Background Information:

On May 19, 2023, hail caused damage in Collin County as storms moved through North Texas. All 28 District facilities were examined for damage. Eight facilities were assessed to have sufficient damage to warrant repairs: AHS Activity Center, Boon Elementary, Cheatham Elementary, Eagle Stadium, Evans Elementary, Green Elementary, Kerr Elementary, and Marion Elementary.

Repairs were divided into three phases. The storm related roof projects for phase three were released on October 24, 2025. On November 11, 2025, Armko Industries along with Allen ISD read aloud Competitive Sealed Proposal (CSP) responses for Phase 3 - roofing and waterproofing repairs at Marion Elementary and the AHS Activity Center. The proposals were based on plans and specifications prepared by Armko Industries. Armko Industries is a district approved waterproofing consultant and architect per RFQ 2024-NOV-158.

The evaluation committee consisted of the Executive Director of Operations for Planning, Construction, and Maintenance, Director of Planning and Construction, Director of Facilities Services, Senior Assistant Project Manager for Facilities and Maintenance, and a representative from Armko Industries. The committee reviewed the proposals based on the published grading criteria. The sealed proposals were evaluated for the best product and service for the district.

After review of the CSP by the evaluation committee, Advantage USAA was chosen for the repairs at Marion Elementary and AHS Activity Center. The District's insurance deductible for an event occurrence is $500,000 or 2% of the assessed value of each facility involved. The deductible for Phase 3 of the repair project is $624,339.48. The District is also responsible for costs associated with the depreciated value of the roofs, totaling $1,638,350.

As part of the 2024 Bond Proposition A authorization of $419,062,253, approved by District voters, a budget of $8,113,601 was established for roofing and waterproofing across multiple Allen ISD school facilities, and will fund the Storm Related Roof Projects Phase 3.

The recommended vendor, Advantage USAA, submitted an offer that was determined to be most advantageous to the district's students and employees, demonstrated the ability to provide and perform the services requested in the proposal, and possessed strong qualifications for the specified services.

The Total Probable Cost of the Marion Elementary and AHS Activity Center roofing and waterproofing repairs will be $3,575,452.

Total Probable Cost of Construction:

Marion Elementary Re-Roofing	$1,974,700
AHS Activity Center Re-roofing	$1,342,000
Architect/Waterproofing Consultant/Contingency/Evaluation Fee	$ 258,752
Total Probable Cost Phase 3 Roofing Project	$3,575,452

Total Financial Responsibility from Allen ISD:

Insurance Deductible	$ 624,339.48
Additional Costs Due To Depreciation	$1,638,350.00
Total Financial Responsibility from Allen ISD	$2,262,689.48

Completion and Timeline:

Project will begin pending Board approval, execution of contract, and is scheduled for completion on or prior to December 2026.

Administrative Recommendation:

Administration recommends awarding the contract for Storm Related Roof Projects Phase 3 to Advantage USAA for Marion Elementary School and AHS Activity Center.

Proposed Motion:

"Move to approve the Total Probable Cost of $3,575,452 for the Marion Elementary and AHS Activity Center Roofing and Waterproofing Repairs included in Competitive Sealed Proposal, CSP #2025-OCT-169.
